“ I remember the day that Adrienne and her mom Vanessa came into my family. She was this little ball of fire with that beautiful red hair. Her smile and laugh would light up any room she went into. She has remained a part of my family since that first day. Adrienne, you and your mom Vanessa will always have a place in my heart. You have 3 handsome boys that will live on for you, I love you.

“ This has literally broken my heart. I've known Adrienne's momma for years and when Adrienne started to school, she was simply one of the sweetest and smartest little girls and was just as beautiful as the sunshine.... all that long red hair she had.... I always told her that she should have been my little girl too. Such a tragic loss to our community, her shoes cannot be filled, for they belonged to a beautiful red headed angel....I love you sweetheart...fly high
