“ Just wanted to send my condolences. We loved Annie and she was such a sweet lady! You have all been a part of our family for many years and we have such good memories of our times at Powell's Valley. I am so sorry we was unable to attend the funeral. We had taken Daddy and Mommy to visit family in North Carolina before they are unable to make the trip. They both were sad they were not here to attend. Our thoughts and prayers are with you and may your memories bring joy to your heart.  
May God Bless you and comfort you!
