“ My heart goes out to Arlene's family. She was our neighbor for many years and she was a good neighbor. She was very friendly and very talented. Her afghans were beautiful. Although, she moved to Lexington, several years ago, she was always a part of Slade. We thought of her often and Sid brought her back often to visit family and friends. He and Arlene stopped by to see us ,last year, and we were so excited that they stopped by. Arlene was so excited to be in Slade again and seeing her friends and family. She was a special lady and will be missed by many people. You all are in my thoughts and prayers.
