“ I worked with Barbara in the 1980's and it was a great blessing to know her. Although we didn't see each other that much after we no longer worked together I can say when we did see each other it was like we had just talked yesterday. Barbara was one of the kindest and caring people I've ever known. I will truly miss that smile, laughter, and most definitely the wonderful jokes. The world has lost a beautiful soul. Peace be with you, my friend.

“ Barbara and I have both worked for the same company for decades. While I didn't know her on a personal level and didn't have many dealings with her whenever she came to the home office, she always had a smile on her face and she always made sure to say good morning. Her pleasant smile and friendly demeanor will be missed. I pray she finds everlasting peace and I pray for her loved ones to have the strength to get through the troubling times to come. Our thoughts and prayers will be with you.
