“ Vickie and Lenora,
So sorry to hear about your Dad's passing. We was out of town and did not hear until after. He was a good, kind man and always loved to stop and talk. Our thoughts and prayers are with you and your families!

“ I am so sorry to hear of Bernard's passing. He was such a kind, caring man. Always had a smile and always wanted to talk when he ran into anyone that he knew. I always enjoyed talking to him. He was one of a kind. He loved people, loved talking to people and those of us who knew him were very blessed to have him as a friend. I used to run into him in Stanton when Debbie was in the nursing home there. Everyday, he took her a cold ALE8 and he took another patient and friend, Donald Hale , a chocolate milkshake from DQ. He told me this is what they both wanted. He spent a lot of time with Debbie and he visited others there as well. This was the type of man he was. If he could cheer someone up or help them in any way, he would. We were always friends with Vickie, Debbie, Lenora, and Ronnie. This entire family was such a good family and was loved by many people. I will keep you all in my thoughts and prayers.

“ *I don't have words to express how sad I am that Uncle Bernard has passed. He was one of my favorite uncles and I always enjoyed visiting and spending time with him. He was as good hearted and as caring as they come. I have no doubt my mom, Edna, was waiting for him when he walked into heaven. My thoughts are with Vickie, Leni, and all the grandkids. Godspeed, Uncle Bernard.*
