“ Dear Shade,

I was deeply saddened to learn of Beverly's passing and I would like to express my sincere sympathy to you and your family on behalf of the Customer Service management team here at Tower Hill Insurance Group. Your mother was highly respected by managers and employees alike throughout the entire company.

Beverly's contributions to this company during her dedicated and selfless service were many and varied. Believe me, her contributions to this company will not be forgotten.

Please accept my heartfelt condolences at this difficult time. Beverly was a remarkable woman. Knowing her personally as I did, I am well aware of the difference she made in the lives of many people, both here in the company, and in her private life. Many will miss her.

With sincere sympathy,
