“ I have so many wonderful memories of Joe. I watched him grow up as a little boy into an outstanding young man, husband & father. I know he made his mom & dad & also Pam very proud. I had the privilege of working side by side with Joe & Bobbi as Joe served our county proudly as their sheriff & I also had the pleasure of working with him on our County Election Board during those years. He always had a smile or a few jokes & had a special way of brightening everyone's spirits whenever he walked into the room. I want the family to know they will all be in my thoughts & prayers on the difficult weeks & months ahead. I truly love all of you & will be here for you if there is anything at all I can do. anytime.

“ CW and I went up and rode dirt bikes with Joe when CW and Joe were about 12-14. It was an all day ride and we all had such a good time that we commented on it through the years. I still remember it well. The last time I saw Joe he gave me his phone number and said to call if he could ever help. He meant it too. Ann and I really feel a terrible loss. I pray for his parents who were also always so good to us.
