“ I have a lot of memories of my sweet uncle Bobby but I guess my favorite was when he started the youth group at church for the kids we would have so much fun with him and him teaching us about God me and my sister tilly Kelley would get up and sing and my cousins all of being together with him he taught me a lot about the Bible and the love of God and when he had to stop I was heartbroken but the memories will never be taken away from me and I will miss him so much until we all met again keep watch over us and know that you will never be forgotten all my love to you Mary Beth and your children and grandkids
