“ Bonnie was one of my best friends for many years. We have shared so many fun times, from picking blackberries, going to the theatre, eating Chinese, and I wrote a story and entered her in a contest because she had done so many things to help others, and she won. Bonnie, my son and myself, many years ago went to Lexington, and she accepted her award, and she made a little speech, and we had so much fun. They escorted us to our seats across a rolled out red carpet. I will always remember that evening, she was nervous, but so excited. This was an award that she well deserved. Her story was printed in a magazine. We have laughed, cried, and talked for hours on the phone. We bought each other birthday presents and Christmas presents. We both have birthdays in the same month. I miss you so much, Bonnie. God sure got a beautiful angel in Heaven. I was so blessed, all these years, to have Bonnie, in my life and I will never forget her.

“ This is so heartbreaking Bonnie was one of the dearest women God ever gave Powell County. She was so sweet and kindhearted and would give the shirt off her back to help anyone. When my son was small she always made over him every time she saw him out and he called her aunt Bonnie Lou. Heaven has certainly got their sweet angel back, because that is exactly what she was to so many people. Fly high sweet girl. We love you.
