“*Condolences to my friend Carl's family. I am grieving also as Carl was one of my good friends despite our age difference. His and my birthday were 1 day apart and we celebrated it together. Looks like I'm going to be missing you this year my friend. I love you Carl fly high with Jesus and tell my dad I said hello for me. We spent many nights together at the dragstrip, fishing, watching football, or just hanging out together. I'm going to miss you my "good buddy" as Carl always called me. I know you're in a better place and you're not suffering in this cruel world or dealing with pain anymore but that being said it's still not making it any easier for me to accept that you're gone and no longer will be a part of my life. Rest in peace my friend. We will meet again one day when the Lord calls me home to those pearly gates and when he does we will rejoice in peace and harmony. You're sure gonna be missed my friend not only by me but by many many other people from in your life. I'm going to miss you Carl I love you R.I.P buddy rest easy*
