“ Carl was a good friend all through my young years and high school. I remember how he took me through the driving test that the state trooper took him to get his license. He helped me get mine that way. We had a lot of fun playing basketball at the back of the wells Funeral home until dark. supper time, his Mom would say and then often invite me in to have some of her great desserts. May Carl rest in peace as I am sure he will be missed by many.

“ *Sandy and family: Carl is such an inspiration to me both as a caring EMS , then later as an incredible friend and patient dealing with so many issues so well! Carl taught us how to get out of the way and let God direct us and lead us. Jr has been such an inspiration in humility and leading our men's group through several lessons on Christian living. I am so blessed having known and shared with him.*

“ *Mrs. Wells, Megan, Josh, Sandy and all the Family,*

You are in our thoughts and prayers that God will bring you peace and comfort during this difficult time and the days ahead. Carl J. and all of the Wells family have always been there for us when we needed them. You are like family to us.

Carl J. would take Josh fishing at our Dad's farm when he was a little boy, and they shared some good times together down there on the river bank. He will be greatly missed by everyone. He is only gone from our sight. Our loss here is Heaven's gain.

Love You,

Devona, Virginia and Kathy

“ Carl Wells, Jr. faced many health problems, but underneath was a kind person. He once saved the life of one of my former students, Kevin Bowen, when he pulled him out of a car wreck near Clay City. That student became one of my best college students. I met Carl at the St. Joseph Hospital Gift Shop. My sympathy goes out to his wife Sandy and to his family.

“ Please accept our deepest sympathy in the loss of your husband, son, father and grandfather. Carl, Jr. loved to serve his community and the people of Powell County. He served on the Board of Health for many years while I worked there and always wanted to help do what he could. We received a note from him on March 12th telling us what an honor it was for him to call us friends. He closed his note with the following - "God is good and even with all the illness is a blessing to me." Rest in peace Carl, Jr., it was an honor for us to have known you. Prayers for all of you during this time! Darlene and Donnie Richardson
