“ *Avery dear friend that I was so close to in grade school at Bowen. We had two Carolyn Kings. One was taller than the other, so this Carolyn was "little" Carolyn. Or sometimes we called her Carol Ann. .She was so witty and sweet. One of the best people I ever knew growing up. Of course. time drifts people apart but I have always thought the world of this girl.. She was so very special and she was a very dear friend. Fly high sweet Carolyn, I will always treasure our friendship,*
