“ *I'm so sorry to hear the news of the passing of Cathy. She was always so nice to me and even years apart from seeing her she still would smile and make you feel like a friend. I know she will be missed by her family and I pray for them now. It's so hard to lose a loved one especially this time of year. I will be praying for you all during this season. I know she loved her family, and her family loved her. Know Paul, Jeff, and Jeanie I will be thinking about you. If there is anything you need that I can help with please let me know. Find peace by believing she is home now with her sweet Momma. Love to all. God Bless you all.*
