“ Dear Rose and Family, I am deeply saddened to learn of Cecil's passing. I worked with Cecil for many years at Sanders-Brown. I always knew him to be a man of great integrity, who was good-natured, helpful, and a friend to everyone. Cecil always had a listening ear and a kind and considerate word for anyone who needed it. I remember that he often gave a Thanksgiving or holiday prayer for the Center that was inspiring and inclusive and helped set the tone for ending one year and the beginning the next united with one purpose. Cecil will be greatly missed. I hope that your memories of him give you comfort at this difficult time. You have my heartfelt condolences.

“ Cecil was a classmate and a friend , we both lived up wolf creek but in separate hollows.

Cecil was very smart, had a quick wit, a great sense of humor was loyal to his friends but I think his kindness stood out for me.

He helped me in some tough classes but he also looked out for me and made sure I got home safely when I had made some bad choices . For that I have always been grateful.

Sadly had not talked to Cecil in several years but he will always be in my memories. My Prayers will be offered up for the family, I 'am sorry for your loss . Rocky Harmon
