“ So many memories it's hard to just choose one.  
I guess it would be the time you scared me out of my body when you come walking through the house in the dark I had never seen anyone sleepwalk until that night that stuck with me lol I love you my sweet cousin when I think back to my childhood you're always there you and Stephanie both we all grew up together. But we were all still connected in our spirit. Now I've lost you both.  
But I will never lose you from my heart or my memories.  
Rest in peace.
