“ *RIP sweet baby boy. Your sister Aleigha will miss you so much. She always talked about how much she loved you. Also your grandma Wilma, she's such a sweet lady and was always ready to come see you while you were in the hospital. I hope you have fun in Heaven playing with the angels.*

“ Little C.J. He didn't get to live a long, happy life like he deserved to live. But at least now he is in a better place. I'm happy I got to spend what time I did get to spend with him when he was just a little baby. I just wish his life didn't have to end so soon and the way it did. We love him and will miss him. But will never forget him. R.I.P C.J.
