“ This is very sad to me, and hurts my heart, probably as much as his parents, and family. We graduated high school together(class of 1995). But what many don't know, Chris also didn't know, was he was my high school sweetheart. But I never got up the courage to tell him I felt. He was a very handsome guy, who was so kind, and respectful, you could tell he was raised right, cause he was so res to everyone he met, always opening doors for others, followed by: yes ma'am or yes sir, followed by the biggest smile, you ever saw. He never met a stranger, and made friends quickly. RIP Chris, sadly missed. You have earned your wings, our angel watching over all of us, and keeping us safe, until we come to meet you again, my friend, and now how I felt. Prayers to your family, may God give you peace, and comfort.
