“ So sad to hear that Mrs. Henson has passed away. When I think of my childhood, she and Mr. Henson are always a part of those memories. I grew up next door to them and they actually gave me my first job at the sky lift when I was 14 and then at the park until I graduated from college. I will always be grateful to them for that opportunity.

Years later when I was working for the school district, Clara enjoyed coming to adult education classes. I never saw her without a smile and a kind word. She was a wonderful lady and a good friend to all who were lucky enough to know her.

Our neighborhood has lost another of "our parents". We will miss her.
