“ We are sad to lose our "Miss Connie" She was our friend.

We are going to miss her a long time. She was an honest and loyal person. She stood for what was right and was not tolerant of disrespect. She had an extra soft spot for her pets and children. We shared many good times through her years as a co-worker with us. Once again, we will miss our friend.

“ I'm so surprised and saddened by Connie's passing. She was a dear lady and straight shooter. She also had a generous heart and supported those causes she believed made the world a better place. You could count on Connie to be a friend and she loved her family, friends and pets.

“ *So sorry to hear about the passing of Connie, prayers are with the family during this very emotional time. Connie was always ready to help me at SES in any way she could and we was always laughing. Her greatest joy was helping the children, especially the underdog. She will be missed. Pamela Drake*
