TC

Mike AKA Hollywood there's so many memories that I can't write down just one. Seems like you and your family have been a part of my life all of my life, we have had good times and bad times, but that's what family does. My heart is broken and it don't seem real. Bub is having such a hard time, he loved you so much. We will meet again one day my dear friend. Rest Easy 🕊️❤️
