“ *Danny always wore a smile and overcome many tough obstacles in his life. He will always be remembered as one of the most forgiving and caring people I have ever met. He loved life and help others daily even when he didn't feel well himself. May GOD bless those left behind and may his memory bring you joy at the thought of him. Rest in peace my friend.* ”

“ I best and last memory of "Pete" was when he came to visit Marie Puckett in the nursing home. So sweet and thoughtful that was. I did know all his sisters, a very good family for sure. May he rest in peace.

“Pete was a wonderful person. He would stop and visit from time to time and our dog Harley loved his and so did we. Harley liked to give him "doggie" sugars and Pete didn't mind. They would play for a while and then Harley would lay down next to Pete and rest. Last time a little over a week ago we spoke with him on our way to church and the last thing he told us is he loved us. We will miss him dearly and my prayers are with Pete's family during this heartbreaking time. Pete has been on my mind all day as well as Ruby. RIP Pete. We love you!
