“ *The last time I saw Darick, he had stopped by to say hi. He was always so nice and friendly to me no matter how long it had been since I'd seen him. He would always tell whoever was around that " Amy and me, we go way back. He went to school with my girly brother, Robbie. I was so sad to hear about him and no matter how much time passes, he'll always be missed around here. My deepest heartfelt condolences for ALL of his family and ya'll will be in my thoughts. Rest in Peace, dude. It sure won't be the same without you.*
