“ My heart breaks for this family. I have known all of them all my life. My niece is Darrell's sister. Darrell and Ronnie spent a lot of time at our house during their childhood. We all played together and both of them run around with my brother in their teen years. I remember their dad bringing them to our house to meet their mom on the weekends. They were very young , at that time. As we all got older, we didn't spend time together, but we always kept in touch. We have so many happy memories of times past. They weren't blood kin to me, but they are like family. Carol and Regina, I went to school with.Both always ask me when Darrell and Ronnie were coming in from their dads, back in high school. These are all good memories. Time flies. Darrell and Carol have 3 wonderful children and two beautiful grandchildren. You all are in my thoughts and prayers. I know your hearts are broken. May God comfort all of you during this difficult time.
