“ I didn't know David for long but in the short time I did know him he helped me and my family out like we were family. He bought my daughter Christmas gifts when he knew I couldn't afford to. He helped me with bills, going above and beyond what was asked. He was a loving individual who just had his own struggles in life, I think David found joy an escape from his own problems thru helping others. I'll miss David the rest of my life and will always wonder what could have been had he seen how loved he was before the untimely end of his life. RIP David and from the bottom of my heart thank you for everything.

Dave called me Sissy, I called him Bubby. He was the last one left of my brother's friends. Dave will always be a part of the Tony Rose family and will always be my Bubby. I had one brother that called me 'Sis.' Then there was Dave. I sure am going to miss those big ole bear hugs. What a kind and gentle soul. I hope that the angels are singing loudly for Dave and that Rog and Twylo (I never called her Twyla) met him at the Pearly Gates and ushered him in. I love you David Allen! Rest in Peace, Bubby!
