“ *I miss you. I miss your voice when i call you up and you would say "Hey!" I miss our shopping trips at Christmas, on our birthdays or when it was one of my sons' weddings. You were there right with me to help me pick out the perfect dress and accessories and then tell me "I sure like to spend other people's money!!" When I had problems, you would listen then tell me what to do. If i wouldn't do it then you said you would do it. You were everyone's champion. You made me a better person. I miss you, Debbie.*
