“ Dear McGee family,
It is so sad to read that Ms. McGee has passed away. May your memories of her as well as a hope of being reunited one day -John 5:28,29 - bring you the peace and comfort you need at this time.

“ Vickie and Lenora and the rest of the family, I graduated with Debbie; so sorry to hear about her passing. I know that she will be missed by all. But to know that she is resting now and with her mother and brother is a blessing...As I'm sure they all are looking down on you all...My prayer is that our heavenly father will put his sweet spirit around each in the days ahead.

“ My sweet cousin Debbie. I have such fond memories of all the times we spent together as kids. She had a easy laugh and such a sweet spirit. Time separated us and I rarely got to see her in last few years, but I know she is in heaven with her mom and her brother, Ron. She'll never again be sick and she's in the presence of the Lord. I'll miss her but as long as I've got a memory, she'll never truly die. To be absent from the body is to be present with the Lord. God speed, Debbie!

“ *Pap, I am so sorry. Debbie was a sweet and precious friend to me. I always enjoyed being with her while we were in school. She always had that beautiful smile. I will miss seeing her when I go see my sister. I am glad I got to spend some time with her this last couple of years. She would laugh at me when I would bring her a chocolate milk shake, cause I would say don't you tell on me and get me in trouble. She would smile that big smile and shake her head no. She told the nurse I was her friend when I first started going up there. Now she a beautiful angel in Heaven.*
