She was one of a kind To know her was to love her she was always trying to help others even when she was the one who needed help. I will miss our long phone calls we talked for hours till both our ears where wore out but we keep right on talking. I will miss you little sister but you are always with me in my hart your big sister Pat

“ I loved Debbie with all my heart! I will miss her greatly! Wesley enjoyed so much playing dominos with her in the nursing home and we loved spending time with her. She was always an encouragement to me. Knowing she is walking on the streets of gold gives me rest. We will never forget her!

“ We will miss you greatly. You were such a sweet and strong soul even with the pain you endured. I will miss our conversations and our adventures shopping. You were and still are a very special sister in law to us. I know you are roaming the streets of gold and smiling at all people that you meet. Wear those wings girl and play your harp. I love you!

“ *My thoughts and prayers are with you for the loss of Deb. She was certainly a wonderful person. She was more like a member of the family and was always there when we needed her to watch the kids or whatever. She was so close to mom. She was certainly a friend to all who knew her. She will certainly be missed, but she will also be in a better place with no pain or sorrow.*
