“ *I met with Della several years ago to discuss the family history. She had such a great memory and was able to give tons of family information not only the names and dates but the stories about each. Della was such an inspiration to me that it made a forever lasting impact on me. I loved how she loved every day of her life. I love the example of life she gave to me that warm day. May you rest in peace.*

“ *I especially enjoyed the privilege of praying with Miss Della. She gladly prayed with me for lost souls, family and friends she didn't even know. Many times she would stop whatever she was doing to pray with me, for us, Mark and I leading up to the time until we got married and afterward. She rejoiced with us as we visited with her at her home the evening of our wedding day. We had fun and Georgia took our picture together with my wedding dress draped around her shoulder!*
