“ One thing about my uncle Dewey is that nothing was more important to him than family... He had his brothers and sister, nieces and nephews and then he had his church family. If you were lucky enough to know the man he is you would know he would do anything for anyone... though the last little bit of his life here on earth was rough for him... he fought til the very end... He leaves behind a great legacy, and he will never be forgotten... I hope when he got to heaven, there was a big 'ol glass of milk, he loved milk... Rest in Peace Uncle Dewey...”

“ *Dewey was a super smart man who could fix anything. He was always smiling and cutting up, telling jokes, and he was always in church. A very faithful church goer and believer in our Lord. I will never forget him, for he was one of those very special people that when you meet them, you automatically know they are a keeper. Fly high Dewey, you will never be forgotten.*
