“ I think Joshua David was three when I first met Diane and Vernon and Jeremiah Todd I really don't remember his age. If memory serves me right David is Joshs middle name. I was a sixteen year old at that time. What a Family we had in that little Church on the Hill in Nada. Then the Family moved to Church on the Rock in Stanton. The Harrison's and the Halls and the Homles and Michelle and April and the Branhams and probably a few more that I cant remember. But I walked away from the Church life, but have always held those memories in my heart. Today I can not be there, but doesn't, stop my love for any of you. Anyone that knew Diane were blessed if I ever met someone that was a vessel for God it was Diane Hall Harrison. I just know those Gates of Heaven sprang open to receive her and God said welcome Home my good and faithful servant. I am not a Christian now, but I do believe in the Bible. And if anyone has walked through those Gates it was Diane. And anyone who knows her that is one thing we all know for certain without a doubt.

“ Diane was without a doubt one of the most humble God fearing women I've ever met. Her light most definitely did shine. I've got a heart full of memories of Church on the Rock , and Diane Harrison. She had one of the most beautiful voices I've ever heard, and many's the time I would watch as the Holy Ghost would take hold of her and I just knew church was going to go on all night . I was also always impressed with her laughter and her sense of humor. When she laughed it was genuine and heartfelt. To her family and loved ones I offer my love and prayers. I love each of you.
