“ Donnie was such a great person and a good friend. I hadn't seen him in probably 20 years, but we were great friends back then. We had a lot of laughs. I will never forget him. My prayers go to his mom and family.

“ Our thoughts and prayers go out to Donnie's family. It is such sad news when we hear of the death of our former students. We tend to get attached to them when they are in our class. May God be with you and give you comfort at this most difficult time.
