“ There are so many special memories of wonderful times spent with Don & his family. I truly can't choose just one & I've thought long & hard about this. So many good times, lots & lots of laughs & throw in a few tears we've shared at times, some happy, some sad...that's only because we all loved each other so much. Verma, Sheila, Donnie....May you find peace in knowing that no one can take away any of those precious memories & I hope that someday very soon these very memories will be exactly what will help you to carry on with your lives. That's what he would want for all of you. Don was absolutely one of the best men I have ever known. I feel as if I have lost one of my best friends. May God bless & be with each of you in the weeks & months ahead & Don, my special friend, may you rest in peace.

With ALL my love,
