“ There are no words to describe the love she and I shared. We understood each other and shared our hearts. She loved deeply and cared so much for her family, fed the community from her gardens and was talented in crafting quilts and making things. I am so happy to have had her as a part of my life. I used to babysit her when we were kids. She always had a smile and was quick witted. She made others smile even in the worst of times. She loved her Lord and proved it daily by trying her best to do for others. She always put her family's needs before her own. To me there was no better person and I loved her so much. She always told me I was her best friend and she was a great friend as well as a great cousin. I will miss you dearly, Donetta. Rest in the arms of Jesus, I will see you again in Heaven.
Your, cousin and friend,
Glenna.
