“ Dear Bro Donnie and Sister Joyce, I cant say in words how very sorry I am / We will miss Donnie more than anyone in our church. He was a great example of just what a Christian looks like and talks like . I have been in countless meetings with him and always found him to be a loving and caring Christian man .Never heard him talk about anyone. Whatever needed doing Donnie was always willing to do it . He went thru a long period of illness and suffered thru many days of pain yet he always wanted to come to church And I know for a fact if he wasn't bad sick or out of town he definitely would be there 3 times a week. You could see the love of God and church in his eyes. I truly believe Donnie is resting with the angels in a beautiful Heaven with friends and loved ones all around him . He finished the course,he ran the race and he kept the faith so rest in peace dear brother . It was a joy going to church with you and Joyce . We will meet again just over the river. Jenny and Eugene Patrick.

“ Our church service this morning was dedicated to Bro. Donnie. Everyone's songs and testimonies were for Donnie and about what a wonderful part of our church family that he was. He was loved by everyone. He extended God's love to everyone he met. He had such a kind and loving heart and was a true example of what a Christian is. As we exited the church we noticed a flag and roses on the seat where he sat. Even when he was very sick, he put forth the effort and was where he most wanted to be, in God's House with his brothers and sisters. We will miss you, Bro. Donnie. You have gone to receive your just reward. Our love and prayers to Joyce and the family. We love you.

“ My husband & I thought the world of Donnie Haddix. We worshipped with him at Vaughn's Mill First Church of God. He was a wonderful Christian man who always wore a smile, & we looked up to him probably more than he ever knew. Never, ever did he fail to extend his hand out to us in Christian love for a handshake at some time during the church service. And he never, ever failed to ask, "How you, Sista Val. "? Donnie & Joyce most always arrived at church before Roy & I, & they sat on the back row in the left corner just inside the door, Donnie being in the first seat. As we went in on Sunday mornings, he would turn toward me with a smile & reach for a handshake as I turned up the aisle. Some mornings I could tell he didn't feel like being there, but I know Donnie & I know his heart wanted to be. Then it wasn't too long until he showed up in a wheelchair. Then it got to where he wasn't able to attend church. Donnie Haddix, I will miss your smile, your handshake & seeing you in that corner seat. But I will always remember you calling me "Sista Val" & seeing you raising your frail hand when the trio sang, "True Lord."

“ *Donnie lived in Illinois with us for a while. He was always welcoming, kind, a man of God. I loved him and enjoyed talking to him on the phone. While he worked driving the truck he would call and I would pick him up at the truck stop and get to visit with him. He came from my favorite Aunt and Uncle. I always felt part of the family. He will be missed. But thanks to him by his actions and his words there is no doubt where he is today. Beside God.*

“ I will always remember the day he showed up to interview for a truck driving job in Lexington....his old car broke down enroute and he worked on it himself...got it running and came into the terminal with grease all over him....he was hired immediately....drove tractor trailer for us for many years....never complained about anything or anyone...no matter what the dispatch he hopped in the tractor and made the run...never complained about being teamed with any other driver....always was at the top of the list of all the drivers I ever managed.....Charlie McNeal ----Manager GTE Transport.....
