“ *June 7, 2013John, Laura Beth and I are very sad to hear about Dorothy. She was part of our family for so many years and we often thought of her after she got sick. Always on Christmas night John and I wonder if Dorothy has taken down the Christmas decorations yet, since she told us every year that she started taking them down as soon as all the festivities were done on Christmas night. We will keep all you in our thoughts and prayers and ask that God holds you in the palm of His hand and gives you peace.Dorothy was a special lady and will always remain in our hearts.Sherry Holmes, Lexington, KY*

“ *Bill and I are sad to hear this news about Dorothy. We met her in the 1970's and have many memories of her humor, and her delicious jam cake with caramel icing. Also, we heard her voice a few times when she called in to various radio talk shows. She loved her family very much and will be missed.*

“ *Linda, my deepest condolences to you and family during your time of bereavement. It is my prayer that God's love will bring peace to your heart and your comfort shall come from the knowledge that she is in a better place. There she will await until that appointed hour when she will once again rejoin with her family.*
