“ Aunt Dorothy was always so good to me and she was a great friend to my mother, Clara Lee (Rose) Henson, throughout her life. I have many fond memories of family times together during hot childhood summers and through the years at thanksgiving gatherings. Before too many had passed on to continue the tradition. Dorothy was always right there with a quick wit and a beautiful smile. I didn't get to be close to her during the latter years owing to the diverse pathways that eventually lead us all away from one another. Nevertheless, Aunt Dorothy was and always will be special to me. It's a comfort to know that she's completed her journey and is now safely home. Peace and love to cousins Debbie, Randy, and Greg; sending my love and condolences to you.

“ My cousin Dorothy was one of the most beautiful ladies that I have ever known. She was so kind and caring. She always had a beautiful smile. She loved to talk and she and I talked several times, usually in the grocery store. It had been a few years since I had seen her, as I knew she wasn't able to go as she once did. I always enjoyed talking with her. When I was growing up, her and Charles had a store next door to us. Me and my brother went there daily to buy snacks and we always stayed longer and talked with them. She was a special lady and will be missed by so many people. All of her family and friends are in my prayers.

“ *To loose a mother is one of the hardest loss to endue! Aunt Dorothy was so sweet, even before Darrell and I were married, I remember a family gathering at the house up on the hill in Slade. I felt a little left out. Aunt Dorothy encouraged me and made me feel welcome. Aunt Dorothy, have fun up there with the Rose Family, I am sure they will thro you a party!  
You will be missed!*
