“ I hated to hear about Dale passing. He was a good person that meant a lot to everyone that knew him. He was always smiling and liked to give everybody hugs. I used to visit him and Patty a lot, over the years, picking up my niece Rhonda and bringing her back home. Rhonda was like a daughter to him, having took her in at age 2 and she lived with them for many years. Her mom had joined the military. He was her papaw and he loved her dearly, as much as she did him. She and her children were his world. Now, their world has been shattered. She has many photos and many memories with her mamaw and papaw. When she and her family lived here for a while this past year, they rented a house 5 minutes from him so they could be near him in Clay City. He visited them five to six times a day. He never acted his age, always running and playing with the kids and their dog. He ate many meals at their house and they visited him , as well. He enjoyed every minute that he spent with them and they was so happy to spend time with him. Every time I would run into him , before they moved here, he was always asking me if I had heard from them. He and Rhonda talked on the phone a lot and he would tell me that he talked to her. He will be greatly missed by everyone that knew him. My heart breaks for Rhonda and her family, Janna and her family, and the Hall families. My thoughts and prayers are with you all.
