“ I've known Gene my entire life we started school together at Smith School on Sandy Ridge. It was a one room school and Marvin Allen was our teacher. We all walked to school. I had to walk sbput 2 miles and Gene walked 3 miles. They was a road full of us kids. We had many good times at that school. I also with to school with his wife Mazie. She was so sweet and beautiful. I'll always treasure my memories of all of us in that old one room school house. Marvin Allen taught us our first 4 years then Woodrow Taulbee was our teacher. They were both very special teachers too. I'll never forget them either now to Gene's family. I'm so very sorry for your loss I will always remember him and Mazie. May God bless and Comfort you 🙏🙏🙏🙏🙏❤️❤️
