“ I am so sorry for your loss. Eugene was a wonderful person and will be missed by so many. He truly cared for each and every student that he taught martial arts to, over the many years. He was an inspiration to so many others. And all his students cared for him. I always enjoyed talking with him, when I took my son to his classes. I always enjoyed watching him teach the students. He was like family to so many of them, that were his students for many years. You all are in my prayers.
