“ *Ive known Eva my whole life. I always called her Aunt EvaMae. I loved her so very much. I just seen her last week in the grocery store, and she hugged me and kissed me on the cheek and told me she loved me. Ill never forget her and all the memories i have from my childhood of being at her house, playing dress up in her clothes and putting on her make up... You never know when you see someone if its going to be your last time or not... my heart is breaking... i love you Aunt EvaMae and ill never forget you!!!*
