“ Mom you were such a strong person even unto death. I know you had a lot of pain in your life but you never gave up in the fight. That's the one thing that bothers me about your life that you weren't happy. You were a free spirit and there weren't many times you could truly spread your wings and fly so to speak. I miss your strong presence in our lives. No one can deny your spirit. I didn't want you to die thinking that you weren't loved cause you definitely were probably by more than you know. You had a big smile on your face when you died and that gave me comfort knowing you wasn't going to suffer anymore during your life. I love and miss you Mom rest in peace (My beautiful Mother) Love , Sue

“ I miss you so much mamaw I wish I could have one more day to tell u how much I love you. I wish I could of brought sis to see u in the hospital I thought u would be ok and be sent home I had no ideal that I would never see you again.. And telling sis was the hardest thing I've ever had to do.. She loved you so much she talks about you everyday.. Seeing her face when I had to tell her u where gone she was heart broken I would give anything to go back and me n sis go to the hospital to see u .. Your an angel now a beautiful angel its so hard I still can't believe you are gone.. Tell Rick and Bill and baby Rick we love them and we will all be together one day in heaven!!! Sis prays every night for u still and even talks to u. We love you u will never be forgotten

“ Yesterday mom found "contract" that I had made aw sign saying "When I am sixteen years old, she will throw me a sweet sixteen party" and she so signed it an so did I, it was dated back in 2009... I remember halloween of 2009, she put eyeliner on me... First Time wearing makeup.. And she's said "halloween is the only time a girl your age should wear makeup" and I remember and still wish I could, tell her everything that Asa's or had happen that day... And going to her house after every dance to tell it how it went... I miss her like crazy, but I know she is in a better place, flying with all them other angels, having a grand ol time... Love you forever and always
