“ Melly, my dear friend and my sister, I know exactly how you feel. You were as close to your dad as I was to mine. My heart aches for you. My prayers to you and your family. I love you!

My husband was one of a kind. He loved his children and grandchildren beyond measure. We were married 49 years on August 16th. Not a happy day because he ended up in the emergency room where they found the tumor on his cervical spine. From that day on he went downhill. Cancer is a terrible cruel disease. I pray that anyone reading this never has to deal with it. It is a monster.
