“ Jana, Bobby & Amy, so sorry to hear about Gary. I have never heard anyone sing Beulah Land like Gary could. He had a beautiful voice! I hope it gives you some comfort knowing he is no longer in pain and his home is now eternal in “Sweet Beulah land”. We love you and you are in our hearts and prayers!

“ I remember it like it was yesterday, me and my papaw would always hang out together and laugh about weird and silly little things, he would spoil me rotten as a child and even till this day he has. He's been such an important role in my life that it's hard to let him go, but to know he's with the angels and Gods, makes me feel so much better. Not only was he my papaw but he was a father too, he was an amazing father to my mother and uncle, he was a brother to his sisters and brothers, and most importantly he was a husband to his beloved wife

We love you papaw, always ❤️
