“ Gary was like family to us. We will sure miss him and seeing his smile. He was always ready to help whatever the need was and had a kind and caring heart. He gave a lot of himself to so many people and never complained. We have happy memories of him when he came to family meals. He will not be forgotten.

Gary was more than a friend, he was family. He was so loved by the Millers, Dixons and Ison's. He will be missed in a great way. Kay Miller was like a Mother to him, she took him under her wing, Amanda and I were there all afternoon before he passed.

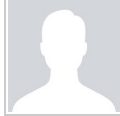

, we held his hand rubbed his brow and constantly told him how much we loved him, we did not want him to pass alone and Austin was with him when he went to meet the Lord. RIP Gary.

Gary was a big man with a big personality and a bigger heart. He was a kind soul who was always ready and willing to help anyone. We miss him so and cherish all the wonderful memories we have of time spent with him. Gary had over the years gotten to know well all of our long term tenants. I let them all know about Gary's passing and below I want to share one of the comments I received in response to the sad news:

"Gary was a great man with a greater sense of humor. Always took care of us here no matter the issue and had everyone laughing along the way whenever our paths crossed. We were blessed to know him. Thank you for sharing, he'll be sorely missed around here."

*We were so blessed to have Gary in our lives. We miss you man.
Love, Eric and Kay*
