“ I didn't even know Gladys was related to me until Vonda and Dean were dating! But she welcomed me just like one of the kids! I loved to hear her stories, truly a magical woman. Fly high granny, you've gained your wings!

I so loved this lady. She was awesome. Never met a stranger and treated everyone with respect. Honest to her very core. She will be missed by us all. My condolences to her children and grandkids. I know the love they have for her. Heaven gained a lovely angel.

“ I always remember Gladys with her sweet smile and kind demeanor. We have been gone from that area for some time but I can still see right where she faithfully sat in worship services. Our heart and prayers with the family. Dwayne and Marcy Moore

“ I am so very thankful that Danny got to go up and spend some time with his great aunt Gladys, make cream candy with her and hear stories about his grandpa Cecil, which was her brother. She told us his nickname was Tight. Those are memories that will be cherished forever. This family has been a part of my heart for nearly 30 years now. May God grant you peace and comfort you in your many trying days ahead

“ My heart overflows with memories South Fork -- of making cream candy, stripping tobacco and drinking soft drinks (which we never got any other time), playing Wahoo on a homemade board, spending the night, and in later years attending worship services together. I remember Daddy tricking her with a baby doll a few days before my baby brother was born -- she walked to our house to see "the baby". She was one of Mom's closest friends and Mom will be heartbroken. They spent many hours on the phone sharing gossip -- even on the 8-party line long ago. My heart breaks for all of you! She was a dear lady! Love and prayers!
