“ Glenda will be missed terribly by many of the people she touched in her lifetime. This Mt. Is not going to be the same without her smiling face as she would pass by and throw you a wave.... She was a good hearted woman who touched many people. I for one am going to miss her a lot. My thoughts and prayers are with her family and friends... May God touch them all, and be with them in there time of need and always!!!

“ I first met Glenda when we were in FFA together. She was a fun, vibrant, and beautiful person. My mother worked with her years later at Stanton Elementary and thought very highly of her as well. Our prayers go out to the family and especially to the children who are so blessed to be able to call her mother. She will be greatly missed.
