“ *Greg was always such a jokester , loved to play jokes on people. I remember one time when we were down visiting and out driving around seeing the country side, I was sitting in front seat beside Greg and we were all talking and Greg said to me “ it sure is hot out isn't it?” I agreed and then he started to laugh because he'd turned on my side front seat heater! Carla, first let me say I am so sorry for your loss. I remember Greg playing his guitar at Jaime's graduation party. We were all sitting around a bon fire and drinking and singing, and laughing.

I worked with Greg for the last 10 years or so at Metrie. While I am based on the westcoast, it was easy to see that Greg was passionate about his work. He was very capable systems builder and was a well respected veteran of the lumber industry. I will miss him on a personal level and on behalf of everyone at Metrie, our sincere condolences to Greg's family.

Our special childhood friend that stayed our friend until the last few years. Just simply, everyone's lives went in different directions. I have the best childhood memories of Church Street, with the Garrison family being an extension of our family. So blessed to have shared our lives with them. Love and prayers to the Garrison family.

I forgot we just found out about Greg's passing. We certainly would have been in contact sooner.
