“ *Oh my sweet Uncle Vic. My heart is broken in two knowing that you're gone. I was thinking about the good ole days when you lived with Mamaw and Papaw and I would hide behind the kitchen door and scare you when you came in late at night. All the encouragement you would always give me and the love we shared. I like to think we had a special bond and I know you would agree. I spent a lot of time with you when I was younger but hardly got to see you as an adult. No matter how long it had been, we would always hug, love and laugh. I will miss you and love you always. Until I see you on the other side.....*
