“ *The strongest memory of Gwen that I have and have never forgotten is the verse in the bible that she quoted about the "mustard seed" faith. Matthew 17:20 And Jesus said unto them, Because of your unbelief; for verily I say unto you, If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you. :)*

“ *Gwen was one of a kind. I will Never forget the first time I meant her. It was at an upward game. She was so beautiful, so sweet, funny and loved to talk. She will be missed by so many. Heaven gained such a beautiful angel and powell county will never be the same without Gwen here but heaven will never be the same either. She lights up every place she goes and I know heaven is shining brighter today.*

“ I wish so very much that I could make this not be real and that I could take this tremendous heartache away from all of our family and everyone who knew and loved Gwen. She truly was such a big part of all of our family and the expression "full of life" has never been as true of another individual as it was with her. RIP my cousin
