I hope Jesus knows how lucky he is to have you as one of his angels your so missed and loved. I talk to your ashes often and sleep with them it breaks me that your no longer here. I'm so sorry for your loss honey. My heart goes out to you and my prayers for you and your family will be sent to the good Lord above. I haven't lost my mother but I did loose my father. I'm not gonna lie to you and tell you it gets better cause that would be a lie. I guess you just learn how to deal with it more so. But keep your head up. That's what she would want, only down 🙏 to pray 🙏.
